INSTRUCTIONS

***Do not complete and mail this form without first carefully reading these instructions
Tax Code Chapter 41A and Comptroller Rules relating to RBA.***

Purpose of form: If working with an agent, property owners or lessees must file online at www.texas.gov/propertytaxarbitration. Property owners or lessees may use this form to file a request for RBA to appeal an appraisal review board (ARB) order of determination. As an alternative to filing an appeal in district court, a property owner or lessee is entitled to appeal through RBA an ARB order that determines a protest concerning the appraised or market value of property if:

- (1) the property has a residence homestead exemption under Tax Code Section 11.13, or the appraised or market value of the property as determined by the ARB order of determination is \$5 million or less; and
- (2) the protest was filed under Tax Code Section 41.41(a)(1) (appraised or market value) or Tax Code Section 41.41(a)(2) (unequal appraisal).

When and what to file: A property owner or lessee must file an RBA request with the **Comptroller's office** not later than the 60th day after the date the property owner or lessee receives the notice of the final ARB order.

You must type or print in black ink so the form information can be scanned into Comptroller systems. Please submit:

- (1) a completed RBA request using pages 1 and 2 of this form;
- (2) a check or money order payable to the Texas Comptroller of Public Accounts for the deposit in the required amount shown below; and
- (3) a copy of the ARB order determining the protest for each property subject to the RBA request.

Required Deposit for RBA: Each RBA request must include a deposit. The RBA deposit may only be used to pay for the arbitrator's fee and the Comptroller's \$50 administrative fee. The deposit, minus the Comptroller's fee, will be refunded to the property owner or designated refund recipient if the arbitrator determines a value that is nearer to the property owner's opinion of value submitted on this request form than to the value determined by the ARB.

Any refund to a property owner or designated refund recipient is subject to the provisions of Government Code Section 403.055 and related statutory provisions and rules. To receive deposit refunds, the federal Social Security Number (SSN) or federal Individual Taxpayer Identification Number (ITIN) for an individual payee or a Federal Employer Identification Number (FEIN) for a business payee authorized to receive refunds is required.

Type of Property and Exemption Status	Appraised/Market Value Listed on ARB Order	Deposit Amount
Residence Homestead Exemption	\$500,000 or less	\$450
Residence Homestead Exemption	More than \$500,000*	\$500
No Residence Homestead Exemption	\$1 million or less	\$500
No Residence Homestead Exemption	More than \$1 million but not more than \$2 million	\$800
No Residence Homestead Exemption	More than \$2 million but not more than \$3 million	\$1,050
No Residence Homestead Exemption	More than \$3 million but not more than \$5 million	\$1,550

***Properties valued at more than \$5 million:** To arbitrate a property valued at more than \$5 million by the ARB, the property must qualify as the property owner's residence homestead under Tax Code Section 11.13.

Arbitrating contiguous properties: A single property owner or lessee may arbitrate more than one tract of land for a single deposit, provided they have the same property owner and are contiguous to one another (touching or sharing a common boundary).

The deposit amount required for arbitration of contiguous tracts of land is based on the one tract that would require the largest deposit if filed separately, using the chart on page 1. If requesting to arbitrate contiguous properties, select yes for question 22 and attach a separate page 2 of Form AP-219 for each property to be arbitrated as well as the related ARB order for each property. An individual opinion of value must be provided for each contiguous property. The total value of all the tracts combined is used to determine who pays the arbitrator's fee for contiguous requests.

Owner/Lessee Responsibilities: Expenses incurred by the property owner or lessee in preparing for and attending the arbitration are the owner's or lessee's responsibility. A property owner or lessee who fails to strictly comply with legal requirements waives the right to request RBA. An ARB order appealed to district court concerning appraised or market value for the same property for the same tax year waives the right to request RBA. Filers should retain a copy of this request form and the deposit for your records.

A lessee may appeal only if the property owner does not appeal the ARB order. If both the property owner and the lessee appeal the ARB order, the right of appeal is revoked from the lessee.

Arbitrator Responsibilities: An arbitrator must dismiss any pending RBA proceeding if the filer's rights are waived. The deposit may not be refunded for an RBA dismissed under this circumstance.

The property taxes on the subject property must not be delinquent. Taxes are not delinquent if all amounts due for prior tax years have been paid and the undisputed tax amount for the tax year at issue was paid before the statutory delinquency date or if the tax collection was deferred under Tax Code Section 33.06 or 33.065. If taxes are delinquent, the RBA will be dismissed with prejudice, and the deposit will be refunded less the Comptroller's \$50 administrative fee.

Where to file: File this form, the required deposit and ARB Orders for each property with the Comptroller's office at:

**Comptroller of Public Accounts
