

Visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information regarding the amount of taxes that each entity that taxes your property will impose if the entity adopts its proposed tax rate. Your local property tax database will be updated regularly during August and September as local elected officials propose and adopt the property tax rates that will determine how much you pay in property taxes.

Follow the instructions below to register to receive notifications regarding updates to the property tax database:

Taxpayers can also register for Truth in Taxation updates by visiting edwards.countytaxrates.com/tax. You will then search for your property and click view. Once on this page, you will click the "Register to receive Notice of Estimated Taxes" button in the top right-hand corner. You will then enter your information, agree to receive email notifications, and then click confirm.

You may request the same information from the assessor of each taxing unit for your property by requesting their contact information from your county's assessor at:
